### Pitch Count Limitations

- 5.6 A pitcher may not pitch more than the following limits in a calendar day. If the limit is reached while facing a batter, the pitcher may pitch to the earlier of: (i) the completion of that batter or (ii) the end of the inning.

| Bantam .....          | 65 pitches |
| Midget & Junior ..... | 75 pitches |
- 5.8 Where the team has multiple games on the same day, if a pitcher throws more than the following limits during the game, or combination of games the pitcher may not pitch again in a subsequent game that day. Pitchers can still throw the designated maximum pitch count in a day so long as the aforementioned multi games in a day limit have not been exceeded.
- |                       |            |
|-----------------------|------------|

- 5.9 At the Tyke division level Balks are not to be called. Should pitchers balk (e.g. double set or not pause) umpires will indicate such infractions to the coach between innings. In the Peewee division, umpires will be advised by the tournament director to call balks on a pitcher only after that pitcher has been warned of an infraction and an explanation has been given to that pitcher by the umpire.
- 5.10 No balk warnings will be issued at Bantam, Midget and Junior divisions.
- 5.11 If a balk is called but the pitcher throws the ball it will count as a pitch thrown, even if it is not counted as a pitch for ball/strike purposes.
- 5.12 The official pitch count recorder shall inform the home plate umpire when a pitcher has delivered his/her limit of pitches for the game. The home plate umpire will then notify the pitcher's manager that the pitcher must be removed.
- Note:** It is the responsibility of the manager to remove a pitcher when that pitcher is no longer eligible, even if the pitch count recorder and/or the umpire fail to notify the manager.
- 5.13 If a team has no remaining players eligible to pitch in a game, the opposing coach may designate a player who has not yet to pitch in the game. This pitcher may not throw more than 30 pitches.
- 5.14 Illegal pitching penalty: Where a player throws more pitches than is permitted *or pitches without the required rest or pitches three consecutive days*, the player's team shall forfeit the game. A second violation by a team will result in the manager/head coach's indefinite suspension.
- 5.15 (i) At Tyke, Peewee and Bantam a pitcher may not pitch on 3 consecutive days.  
(ii) At Midget, pitchers may not pitch on 3 consecutive calendar days unless:  
1. The pitcher threw 30 pitches or less on each of the first two days.  
2. The maximum number of pitches which may be thrown on the third day is 50.  
(iii) At Junior, there is no restriction on pitchers pitching on 3 consecutive calendar days.
- 5.16 At Tyke and Peewee, a player may not be a pitcher and a catcher in the same game.

- 5.18 In the case where a game is suspended for whatever reason, on one day & resumed on a second day, pitches shall count on the calendar day on which the pitch was thrown (i.e. both parts of the game shall be considered on separate days). Where weather or other reasons cause the delay or postponement of a game or games, the time of the delay can count towards the nights rest required under 5.7 & can constitute a break in the 3 consecutive day rule under 5.16
- 5.19 Substitutions are only allowed at the end of an inning except for an injured player or pitching change.

## 6. CURFEW

- 6.1 The number of innings in a complete game will be seven for Mosquito/Tyke - Junior.
- 6.2 No new inning will start after one and three quarters ( $1\frac{3}{4}$ ) hours from the first pitch. However, if a new inning starts prior to the time curfew, the inning must be completed. At the Midget and Junior levels, the curfew is set at 2 hours. *Except if the visiting team is unable to tie or go ahead of the home team after having played the top half of an inning that extended beyond the curfew then the game is considered complete and the home team does not go to bat as they have already won the game and have secured the two points for the win.*
- 6.3 The official time start is to be determined by the umpire and reported to the official game scorekeeper.

- 6.4 Tied games will be permitted during preliminary games.
- 6.5 The *Semifinal* & Championship game(s) are not subject to the time curfew limits and will be full games to determine a winner except in instances where the mercy rule is applicable. (*\*This also applies where there is a consolation final game.*)
- 6.6 In the event of a delay during tournament play due to rain or darkness and prior to that game becoming official (3½ or 4 innings. See Mercy Rule below), the game will be suspended unless Time Restraints are imposed (See 6.2 above).

- 7.2 If the visiting team is ahead by ten or more runs after four or more complete innings, the visiting team will be declared the winner.
- 7.3 A game forfeit will be declared and a score of 7 - 0 will be recorded if a team is unable to field a team of nine players at the scheduled starting time, or at any point during the game.

- 8.8 The tournament convenor has the ultimate authority relating to any matter that requires a ruling or clarification. Game delays due to protests do not invalidate the curfew rule (the clock keeps ticking).

- 8.11 Tournament convenor will review all ejections for possible additional suspensions. These additional ejections will be advised within 30 minutes of the completion of the game of the ejection.
